

Is Steven Jaworiwsky Leaving the Tomcats as President to become the President of the Skipjacks?

St. Clair Beach On. –AP- In this investigative report, sources close to the situation say no, but the paparazzi that has been following Jaworiwsky this summer, show a different picture. Below you will see where 'Stevie' is seen wearing a Sandwich Towne Skipjack Shirt at different locales.

The Windsor Tomcats organization has played this whole situation down, and Vice President of Hockey Operations, John 'King Bundura' Lechicky played down the entire matter. "C'mon, Stevie leaving the Tomcats to take over another operation is preposterous. That's like the Leafs wanting to trade the best defenseman they ever had in Dion Phaneuf. Not going to happen".

But other sources in the Ball Hockey world talk a different talk, "It makes sense to me, he has been successful with the

Tomcats, so why not become the President of the Skipjacks and take the reigns there and work his hockey magic".

Stated one source that did not wish to be named.

Board of Director, senior member, Louis Koneigsberger was aghast when he was asked about the possibility. "I would be totally shocked if Stevie left the Tomcats and went to another organization, totally shocked". Koneigsberger said.

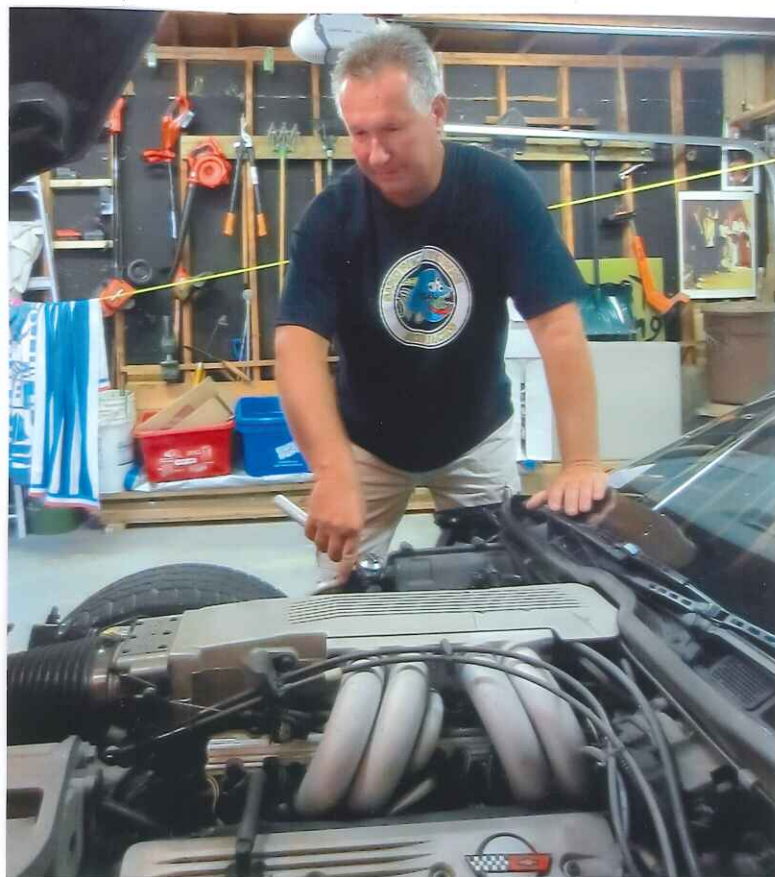

Thoughts also have to go out, to if, he leaves, who else Does he take with him? Hurricane Hann has been seen Going out to Sandwich Towne to play games on Sunday Nights....hummmmmm, interesting.

Skippy Renaud, present President of the Sandwich Towne Skipjacks was not available, it was said, that he was busy Figuring out his GAA for the past season.

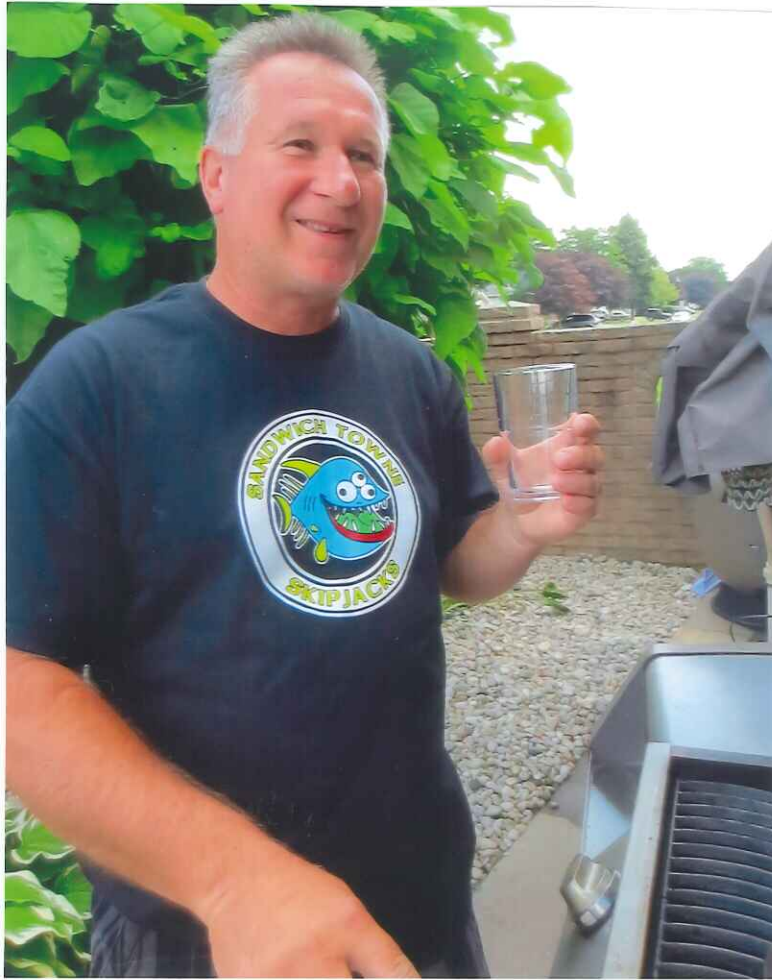

You decide for yourself, but like they say, 'where there's Smoke, there is fire'.

Tim Leiweke left the Anschutz Entertainment Group that own the LA Galaxy, the LA Kings and the LA Lakers to be the CEO of Maple Leaf Sports and Entertainment, so who knows, it seems fishy though, with all the Tomcat Tee Shirts that Jaworiwsky would be wearing his Skip Jack shirt on all these occasions.

"I think it would be a nice gesture on Skippy's part if he gave all of us a Skip Jack shirt". Stated an enthusiastic Killer Colasanti.

Season Starts September 17, Will You Be Ready to Play ?

25th Year Jacket Last Year and this year a Great Gift

Some Part Time, Some Full Time, All Is Good

To Be Handed Out In First Few Weeks

Tomcats Head Office Windsor Ontario –AP- As you are reading this St. Felix we are a few weeks away from starting up our 25th season. Yes it all started in 1989. The number on the jackets and tee-shirts is not a made up number **1989**. 1989 to 2009 is twenty years, then add five more to that and you get 2014. Well, the 2013-14 season is about to begin and the Tomcats have a great 'start of the season gift' for each and every Tomcat and then some. "I can't say what it is, but I'm giddy like a school girl about it", indicates Steven Jaworiwsky. The gift will be handed out in the first few weeks of the season.

"These are exciting times for us as an organization", states Ray MacDonell, "Sure me prancing around the stage naked is lots of fun for the guys, but this gift that everyone is going to get, will be fun too" MacDonell concluded.

So brace yourself for the new gift. See you in a few weeks.

Assistant Coach Garnet 'Rex' Albert says, "You guys better be on your summer work out and weight watching programs or I'll whop you with this stick"!

Two St. Felix's ago there was an Article that talked about being in Shape to play. Please start pre-paring for the season so that you do not go into cardiac arrest on the first night of hockey. KNOW YOUR LIMITS AND INVEST IN YOUR SELF !

Know, when it is your time to bring beer!

Kapusta Kow Palace –AP- It was Jimmy Morrison of the Doors that once said, "In life there is the known and the unknown and in between there are the doors". No truer words have been spoken, except for John Lennon's line about, "Life is what happens to you when you are making other plans".

Well...it is the same for hockey and the Tomcats recognize that and appreciate it. "That is why we carry so many guys, so that guys can take a night off here and there if they need to, to care for their child or care for an injury", states Vice President Michael Jaworiwsky. IF things have changed for you and you are now not able to come out full time, then please let Steve Jaworiwsky know.

"Last year Lovie had Twins and we knew it would be difficult for him to come out on a full time basis. But that was OK, he is such a great guy, that having him out whenever he can make it, is better than not seeing him at all, he is great on the floor, on the bench and on stage." Rocky Comartin indicated.

No new members to join this year. Joe 'Ogie' Costa is our only part time player. Skippy has a new baby to take care off (no, not a new motorcycle) and will be playing on a limited time basis. Tomcats hope to see more of Bearcat Meloche and Rob Daniesh in net and if need be, will fall back on Micheal Jaworiwsky, Joe Costa and Aaron 'Chico' (Cheeks) White.

Junior and Killer more part time now then full time, Family Life more important. Kids grow up so fast.

September 17 is our first night back. We start at 6:30 PM. It is the start of a new season, so please make arrangements with work, your girl friend, Day Care, dominatrix....who ever, to be on time! Everyone is counting on you!

Tomcat Golf Charity Raises over 5 Million in 38 Minutes

LA Salle On –AP- Windsor Tomcats once again did their part for the community and the country, but raising money for women who want to have breast enlargement. "It's a great cause and one that I know brings smiles to many faces, the women, the husband/boyfriend, the passer by, name another charity that will do that". Indicated Tournament participant Junior Poisson.
